# Newsletter

Friday 5th July 2024

Dear Parents and Carers,

This week we are not sending a newsletter as usual but are sending you all of the information that you and your child/ren need for their transition for the next academic year. It is an exciting time for many children, but some do find the end of the year a more challenging time and it can be a mixture of emotions for many.

## **Staff changes for September 2024-25**

As the end of the academic year approaches, as always, we have spent a great deal of time considering our staffing for classes. We do have a few staff changes that we would also like to share with you.

## **Staff leaving Brindishe Manor this year**

This year we are very sad to be saying goodbye to three of our teachers: Eleanor Benton, Helen Coupe and Ciarra Willard. They have all been with us for a considerable period of time and have taught in a variety of age groups and roles.

Helen Coupe has led our PE curriculum and provision for the last 10 years, has worked tirelessly to keep teachers' skills to an outstanding level and this is reflected in how popular PE is in our school. Helen is having some time to re-train next year, but we may see her in a supply capacity from time-to-time.

Ciarra Willard trained to be a teacher at Brindishe Manor and is reluctantly moving to a school closer to her home. She has supported our art curriculum over the years, worked with trainee teachers and supported some of our youngest learners across the school. We wish them both well with their new roles and want to say a huge thank you for all of their contributions.

Eleanor Benton is moving to take up the post of English lead and Year 6 teacher at Brindishe Lee school. We will still be working closely with Eleanor, but thank her for everything she has done to support us at Brindishe Manor and all of her hard work with the classes she has taught. She is a fantastic, extremely knowledgeable teacher and we will all miss her!

## **New staff**

This year we are welcoming Omar Dhuru to our team, who will be working in Year 2. Omar has been working with us throughout the summer term so already knows the school well and is really excited to share his passion for science and history with us.

## **Classes for Academic Year 2024-25**

As we move closer to the end of the Summer term and academic year it is important that the children find out who their new class teacher will be and have the opportunity to meet their new teacher. Today, your child has been told who their new teacher will be for the academic year 2024-25.

Please look carefully at the following table that shares with you the name of your child's new class teacher/s and what the name of their new class is.

Year group	Previous class name	New class name	New Teacher

### PPA time

All teachers are allocated a set amount of PPA time (planning, preparation and assessment) based on the number of hours that they work with children in school. Our PPA adults include Kate Porter, Charlotte Dougan, Julie Hockham, Gemma Caller, Marva Hudson and Elaine Ayeni. Although we aim to keep PPA time on a set day each week, as you will understand sometimes this is not possible.

### Transition sessions

Over the next three weeks, the children will begin their transition towards the end of the year and the start of their new academic year. To make sure that your child's transition is as smooth as possible, we plan three transition sessions for the children to meet with their new teacher and visit their new classroom. This also supports children who might feel worry or nervous about the changes that are happening.

### The transition sessions will take place on:

Tuesday 9th July

Monday 15th July

Thursday 18th July – Children should be dropped at their new classrooms on arrival.

### Parent curriculum meetings

Last year, parents and carers were invited to year group curriculum meetings, where we shared the coverage for the year, assessment information, expectations and other information. These meetings worked well and parents' feedback was that they were informative and helpful. Please put the dates and times in your diary now so that you can attend and get a good sense of the expectations for the year and curriculum coverage.

## Weekly Online Safety Bulletin - Skibidi Sigma

We wanted to draw your attention to a recent online safety issue that was brought to our attention by a Brindishe Green parent. You may hear your child talking about a new character in a skibidi toilet youtube video called 'Skibidi Sigma'.

The term skibidi references to 'Sigma' male behaviour and our understanding of the term is that it is used among online 'manosphere' groups and influencers (in particular on TikTok) to describe a 'lone wolf' type male who dominates and manipulates others for personal gain, obsesses about one's physical appearance, and may also exhibit misogynistic and anti-feminist views.

We thought this would be important to flag to all parents/carers who may or may not have not come across it yet. All Brindishe Schools will as always monitor the use of current slang terms in school and address any issues when and where needed.

If you do have any online safety concerns or are privy to any up-coming concerns that we do not know about, please let a member of the senior leadership team know so we can pre-empt any issues in school and address them correctly following our safeguarding policy.

## LESSONS & COURSES FOR KIDS

# Right Respecting

As the term ends for Brindishe School, we felt this was a good time to focus on safety in the holiday.

**Article 11 (abduction and non-return of children)** Governments must do everything they can to stop children being taken out of their own country illegally by their parents or other relatives or being prevented from returning home.

**Article 36 (other forms of exploitation)** Governments must protect children from all other forms of exploitation, for example the exploitation of children for political activities, by the media or for medical research.

Most children never experience abduction or other forms of exploitation, but it does happen and that's why these articles are included in the CRC.

## ***What should adults do to protect children and keep them safe? What should parents/carers be aware of over the summer holidays?***

- Make sure your child is being looked after by someone responsible. If you are going out, make sure they know where you are going and who you are going with.
- Make sure that your child has someone to talk to if you feel unsafe and that you know this is always a top priority.
- Encourage your child to say no if you are in a situation where they feel uncomfortable.
- Use safe settings on wifi and devices and discuss this with your child.
- Provide safety equipment for activities such as cycling and skateboarding.
- Ensure that places such as schools have security gates/locks.
- Provide a sign in system for school visitors.

To stay safe, it is important that we all learn to say no when we are not comfortable with something. Read or watch [No Means No!](#) by Jayneen Sanders together with your child at home and discuss having the confidence to say no when something doesn't feel right.

## Summer Plays at The Globe

The Globe is hosting some play workshops this summer. The Macbeth Workshop is for children aged 5 – 8 and their families and another for children from 9-12 and their families.

You'll visit one of the Globes rehearsal rooms to take part in an interactive workshop for the whole family. Using a range of activities and games designed to draw out elements of the play's language, characters and themes, you will tease out fresh ideas and inspiration. Workshops will be led by one of the Globe's highly experienced practitioners who include actors, teachers and directors.
